Anthony S. Potter is an attorney at law practicing in the Harrisburg Office of Offit Kurman. Mr. Potter focuses his practice on representation of design professionals in all phases of the construction process including contracting, risk allocation, pre-claim resolution, mediation, arbitration, and construction litigation. In addition, Mr. Potter provides counsel and representation to architects, engineers, and others on administrative law questions including professional licensing matters. He is a member of the Advisory Board for the Civil Engineering and Structural Design and Construction Engineering Technology Programs at Penn State Harrisburg. Mr. Potter is frequently called upon to provide seminars for design professionals and architectural and engineering students on loss prevention, standard form construction contract documents, construction litigation, professional licensing and professional ethics. He has represented clients before administrative agencies, the Commonwealth Court, the Supreme Court of Pennsylvania, the United States District Court for the Middle District of Pennsylvania, the Third Circuit Court of Appeals, and the United States Supreme Court. Previously, Mr. Potter was assistant general counsel to Governor Tom Ridge. Mr. Potter is admitted to practice in Pennsylvania, Maryland, the United States District Court for the Middle District of Pennsylvania, the United States Court of Appeals for the Third Circuit, and the Supreme Court of the United States. He received his law degree with honors from Widener University School of Law in 1995 and his undergraduate degree in Political Science from Millersville University in 1991.

Here’s what past attendees had to say about the program and presenter Anthony Potter:

“Excellent speaker & presenter! Very engaging and captivating.” – *Civil Engineer*

“Excellent in all respects!” – *Licensed Professional Engineer*

“Very knowledgeable; case study approach kept topic interesting.” – *Structural Engineer*
