- Review** Illinois time limited water quality standards

Continuing Education Credits

Professional Engineers 6.5 PDHs	Attorneys 6.5 Illinois CLE Hours (1.0 PR/Ethics Hour)
Floodplain Managers 6.5 ASFPM CECs	6.5 Indiana CLE Hours (1.0 Ethics Hour) Wisconsin CLE Applied/Pending

Faculty

Jamie D. Getz is an assistant attorney general in the Environmental Bureau of the Illinois Attorney General's Office. She handles environmental investigations and enforcement cases throughout Chicago and northern Illinois.

Nathan Grider serves as the Manager of Consultation Services for the Illinois Department of Natural Resources (IDNR). He has worked for IDNR in fish and wildlife management for over eight years with diverse training from positions held in the Office of Mines and Minerals, Division of Fisheries, and over five years in Consultation Services.

Julia P. Wozniak is a senior scientist with EA Engineering, Science, and Technology, Inc. PBC, in the Deerfield, Illinois office. She has over 35 years of experience working on water-related compliance issues for the electric power industry.

Amy L. Dragovich joined the Illinois Environmental Protection Agency in 1987 and has worked in the Bureau of Water since 2001. In 2006, Ms. Dragovich became the manager of the Northern Municipal Unit in the Permit Section of the Division of Water Pollution Control. May 2018 she became the manager of that Permit Section.

Michael P. Murphy is a partner with HeplerBroom, LLC. He focuses his practice in the area of environmental law, including litigating enforcement matters before state and federal courts and administrative agencies, assisting clients with environmental compliance questions involving federal and state environmental statutes and regulations, and assisting clients in permitting, rule-making, and regulatory relief. He also has experience in the defense of a wide variety of cases.

Marriott Naperville
1801 N. Naper Blvd
Naperville, IL 60563
(630) 505-4900

Registration
8:00 - 8:30 am
Morning Session
8:30 am - 12:00 pm
Lunch (On your own)
12:00 - 1:00 pm
Afternoon Session
1:00 - 4:30 pm

Tuition
\$289 for individual registration
\$269 for three or more registrants from the same company at the same time.

Included with your registration: Complimentary continental breakfast and printed seminar manual.

How to Register

- Visit us online at www.halfmoonseminars.org
- Mail-in or fax the attached form to 715-835-6066
- Call customer service at 715-835-5900

Cancellations: Cancel at least 48 hours before the start of the seminar, and receive a full tuition refund, minus a \$39 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another seminar or the self-study package. You may also send another person to take your place.

Jennifer M. Martin is a partner with HeplerBroom, LLC. She focuses her practice in the areas of environmental law and real estate. Prior to private practice, Ms. Martin was an assistant attorney general in the Environmental Control Division of the Illinois Attorney General's office.

Daniel J. Deeb is a partner with Schiff Hardin. His practice includes all facets of environmental law permitting, compliance and litigation. Before practicing law, he worked as a senior chemist for an environmental consulting firm and clerked for the U.S. EPA Office of Enforcement and Compliance Assurance.

Joshua R. More is a partner in Schiff Hardin's Environmental Practice Group. His broad experience includes counseling clients on air, water and waste enforcement, permitting and compliance issues, due diligence and insurance and risk management.

Richard P. Cobb is acting division manager, Division of Public Water Supplies and manager, Groundwater Section of the Illinois Environmental Protection Agency. He has been employed with the Illinois EPA for 34 years working with stakeholders at the federal, state, and local level to plan and implement groundwater and source water protection.

Lauren Lurkins serves as the director of environmental policy in the Governmental Affairs and Commodities Division of the Illinois Farm Bureau. She is responsible for advocating on behalf of the organization in the promulgation, implementation and enforcement of environmental regulation affecting Illinois agriculture.

Continuing Education Credit Information

This seminar is open to the public and offers 6.5 PDHs to Illinois professional engineers. Educators and courses are not subject to preapproval in Illinois.

The Association of State Floodplain Managers has approved this event for 6.5 CECs.

The Illinois MCLE Board has approved this course for 5.5 general CLE credit hours and 1.0 Professional Responsibility/ Legal Ethics hour for a total of 6.5 CLE hours. The Indiana Office of Admissions and Continuing Education has approved this seminar for 6.5 CLE hours, including 1.0 ethics hour. HalfMoon Education has applied to the Wisconsin Board of Bar Examiners for course approval for attorneys. The application is under review, and Wisconsin attorneys should confirm course approval prior to registering for this course. Please visit www.halfmoonseminars.org for the latest information on course approval under this seminar listing.

Attendance will be monitored, and attendance certificates will be available after the seminar for most individuals who complete the entire event. Attendance certificates not available at the seminar will be mailed to participants within fifteen business days.

Additional Learning

Webinar Series

Slope Stability and Landslide Prevention

- **Slope Movement and Mechanisms**
Thurs., October 24, 2019, 11:00 AM - 1:00 PM CDT
- **Slope Stabilization Methods**
Thurs., October 24, 2019, 1:30 - 3:00 PM CDT
- **Landslide Hazard and Risk Assessment**
Fri., October 25, 2019, 11:00 AM - 12:00 PM CDT
- **Slope Stabilization and Landslide Mitigation**
Fri., October 25, 2019, 12:30 - 2:30 PM CDT
