

Agenda

Presented by Charles King Sadler

Pruning Guidelines for Developing and Maintaining Successful Landscapes

Why, when, and how?

How proper pruning increases safety, life expectancy, value, and beauty of the plant

Standards of tree and shrub structure to meet during plant selection

Structural pruning and removing defects

Selection, Planting, First Pruning

How proper plant selection can reduce pruning needs

Basics of pruning

- Techniques
- Tools used for various pruning scenarios
- Importance of pruning at planting time

Guidelines for proper planting, horticulture, and irrigation

- Discuss best practices for new plantings
- Illustrate improper pruning and other common horticulture mistakes

Developing Pruning Schedules for Ongoing Care

Guiding planted landscapes into shape as the garden fills in

Specialized pruning techniques:

- Boxwood thinning
- Cloud pruning
- Espalier of trees and other plants
- Coppicing, pollarding
- Hedging and more

Mature Pruning and Plant Succession Planning

Assisting healthy plants to continue successful development with proper pruning

How to approach landscapes that are suffering from poor pruning practices, improper initial planting, poor horticulture practices, or lack of maintenance altogether

Ways to plan for removal/replacement of aging plants

How to select and maintain long-term relationship with tree care professionals for your landscape to thrive

Assessing trees and shrubs that may need to be removed

Discussing how extreme sensitivity in pruning and caring for mature plants is vital to ensure their longevity

How to evaluate overgrown and under maintained properties

Application of specialized pruning practices:

- Renovation pruning
- Rejuvenation pruning
- Restoration pruning

Can't Attend? Order the Webinar as a Self-Study Package!

Recordings of this webinar are available for purchase. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Pruniversity:

Plant Health Through Pruning

Live, Interactive Webinar - Thursday, December 3, 2020

HalfMoon Education Inc.
PO Box 278
Altoona, WI 54720-0278

NON-PROFIT
U.S. POSTAGE PAID
EAU CLAIRE, WI
PERMIT NO. 2016

Learning Objectives

You'll be able to:

Understand how proper pruning increases safety, life expectancy, value, and beauty of plants.

Analyze the basics of pruning and guidelines for proper planting, horticulture, and irrigation.

Learn about specialized pruning techniques such as boxwood thinning, cloud pruning, coppicing, hedging, and more.

Help healthy plants to continue successful development through pruning.

Learn techniques to help landscapes that are suffering from poor pruning practices, improper initial planting, or lack of maintenance altogether.

Faculty

Charles King Sadler *Founder and Owner at King Garden Inc.*
For over two decades, Mr. Sadler has led the field in the integration of horticulturally and artistically informed care of landscapes. He has worked on over 600 landscapes from city gardens to suburban properties to estates of great historical significance and large in scale. This specialized work has resulted in Mr. Sadler being sought after for the development of maintenance plans and training at prestigious public and private properties across North America. A gifted collaborator, he has been consulted by top landscape practices domestically and abroad.

Mr. Sadler began his career as a visual storyteller in the field of illustration, with a degree from the Rochester Institute of Technology, working on public and private commissions, including for the *Los Angeles Times* and the *New York Times*. Seeking to express this artistry through natural forms, Mr. Sadler returned to school, SUNY-ESF on the campus of Syracuse University, to pursue master’s studies in Landscape Architecture; he started his own design firm in order to apply his philosophy of the integration of design and horticultural care. A certified arborist and master pruner, Mr. Sadler has contributed articles to several publications on the restoration of landscapes. He travels extensively, lecturing and providing training in aesthetic and horticultural pruning and care.

Mr. Sadler is an American Society of Landscape Architects member, an International Society of Arboriculture certified arborist, and an Institute of Classical Art and Architecture contributing member.

Here’s what past attendees had to say about the presenter Charles King Sadler:

“Great presentation. Charles has a true passion for pruning plants!” – Landscape Architect
“Very good and insightful content.” –Professional Engineer

Webinar Information

Log into Webinar 8:30 - 9:00 am CST	Break 12:45 - 1:15 pm CST
Morning Session 9:00 am - 12:45 pm CST	Afternoon Session 1:15 - 5:00 pm CST

Tuition
\$299 for individual registration
\$199 for three or more registrants from the same company at the same time.
Included with your registration: *PDF seminar manual.*

How to Register

- Visit us online at www.halfmoonseminars.org
- Mail-in or fax the attached form to 715-835-6066
- Call customer service at 715-835-5900

Webinars are presented via GoToWebinar. Instructions and login information will be provided in an email sent close to the date of the webinar. For more information, please visit our FAQ section of our website, or visit www.gotowebinar.com.

Cancellations: Cancel at least 48 hours before the start of the webinar, and receive a full tuition refund, minus a \$39 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another webinar or the self-study package. You may also authorize another person to take your place.

Can’t Attend? Order the Webinar as a Self-Study Package!

Recordings of this webinar are available for purchase. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Additional Learning

Threats to Trees
- Thurs., Nov. 12, 2020 | 11:00 am - 3:00 pm CST
- Fri., Nov. 13, 2020 | 11:00 am - 2:30 pm CST

Living with Wildlife
- Fri., Nov. 13, 2020 | 11:00 am - 2:30 pm CST

How to Design for Stormwater Management for Ground Mounted Solar Arrays
- Mon., Nov. 16, 2020 | 10:00 am - 12:00 pm CST

How to Design, Construct and Maintain a Cost Effective Permeable Pavement
- Thurs., Nov. 19, 2020 | 12:00 - 2:00 pm CST

Construction Project Management
- Mon., Nov. 23, 2020 | 11:00 am - 3:15 pm CST

Continuing Education Credit Information

This webinar offers 7.0 PDHs to professional engineers and 7.0 continuing education hours to architects in states that allow non-HSW coursework. It offers 7.0 HSW continuing education hours to landscape architects in most states. HalfMoon Education is not seeking Florida, New Jersey or North Carolina landscape architect approval.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700), North Carolina (S-0130), and North Dakota. HalfMoon Education is deemed an approved continuing education sponsor for New York engineers, architects, and landscape architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2), §79-1.5(i)(2)). Courses approved by the AIA/CES qualify for Florida and New Jersey architects. Other states do not preapprove continuing education providers or courses.

This course has been approved by the American Institute of Architects Continuing Education System 7.0 LU|Elective (Sponsor No. J885) and the Landscape Architect Continuing Education System for 7.0 HSW PDHs. Only full participation is reportable to the AIA CES and LA CES.

The International Society of Arboriculture has approved this event for the following CEUs: 7.0 Certified Arborist, Municipal Specialist, Climber Specialist, Utility Specialist, Aerial Lift, BCMA Practice and 0 BCMA Science and BCMA Management

The Society of American Foresters has approved this webinar for 7.0 Cat 1 CFE hours.

Completion certificates will be awarded to participants who complete this event, respond to prompts, and earn a passing score (80%) on the quiz that follows the presentation (multiple attempts allowed).
