

Credit and Webinar Information

Continuing Education Credit Information

Each webinar offers 1.0 PDH to professional engineers, which can be applied to mandated ethics requirements or to general CE requirements for professional engineers in all states, except New York.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700), North Carolina (S-0130), and North Dakota.

Completion certificates will be awarded to participants who complete this event and earn a passing score (80%) on the quiz that follows the presentation (multiple attempts allowed).

Webinar Instructions

Each webinar session earns continuing education credit and can be registered for individually. All attendees must log-on through their own email – attendees may not watch together if they wish to earn continuing education credit. HalfMoon Education Inc. must be able to prove attendance if either the attendee or HalfMoon Education Inc. is audited.

Certificates of completion will be available for download and printing upon completion of a follow-up quiz with at least 80% accuracy.

Webinars are presented via **GoToWebinar**, an easy-to-use application that can be run on most systems and tablets. Instructions and login information will be provided in an email sent close to the date of the webinar. ***It is highly recommended that you download, install and test the application before the webinar begins by clicking on the link in the email.***

Presented by Alison R. Mullins

Partner at Shannon, Mullins & Wright, LLP, in Alexandria, VA

Ms. Mullins focuses her practice on all aspects of commercial dispute resolution. In particular, she often represents architects, engineers, and others involved in the construction industry. Ms. Mullins received her J.D. degree from Roger Williams University School of Law in Bristol, Rhode Island. Before entering the private practice of law, she started her legal career as a contracts manager and in-house counsel at a large architectural firm in Northern Virginia. Ms. Mullins is admitted to practice in Virginia, Maryland and the District of Columbia. She is on the Board of Governors and is membership chairperson of the Virginia State Bar Construction and Public Contracts Law Section, and she is an allied professional member of the American Institute of Architects, Northern Virginia and District of Columbia Chapters. Ms. Mullins is an author/co-author of several industry periodicals, as well as a frequent presenter.

Presented by Steven Nudelman

Partner, Greenbaum, Rowe, Smith & Davis, LLP

Mr. Nudelman concentrates his practice in construction law. For over two decades he has represented members of the construction industry across a broad spectrum of matters. He has defended and asserted claims on behalf of owners, developers, condominium associations, general contractors, design professionals, subcontractors, vendors and sureties involved in public and private construction projects throughout the New Jersey and New York metropolitan areas. More specifically, he has extensive experience handling claims related to payment disputes, construction, design and performance defects, errors and omissions/professional malpractice, code violations, delay and disruption, liens, bonds, public contracting and violations under the New Jersey Consumer Fraud Act. Mr. Nudelman also maintains an active transactional practice, drafting, reviewing and negotiating construction contracts for his clients with an emphasis on efficiency and practical results.
