Handling Ethical Issues in Construction Contracting

This webinar offers 1.0 PDH to professional engineers and 1.0 continuing education hour to architects licensed in all states. This course can be used to satisfy ethics requirements or be applied to general continuing education requirements.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700), and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 1.0 LU | HSW (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The International Code Council has approved this event for .1 CEUs in the specialty area of Administration (Preferred Provider No. 1232).

Course completion certificates will be awarded to participants who complete the webinar in its entirety, respond to all the verification prompts during the instruction, and earn a score of 80% on the quiz that follows the instruction (multiple attempts allowed).

Handling Ethical Issues Associated with Construction Defects and Failures

This webinar offers 1.0 PDH to professional engineers and 1.0 continuing education hour to architects licensed in all states that allow non-HSW coursework. This course can be used to satisfy ethics requirements or be applied to general continuing education requirements.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700), and North Carolina (S-0130).

The American Institute of Architects Continuing Education System has approved this course for 1.0 LU | Elective (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The International Code Council has approved this event for .1 CEUs in the specialty area of Administration (Preferred Provider No. 1232).

Course completion certificates will be awarded to participants who complete the webinar in its entirety, respond to all the verification prompts during the instruction, and earn a score of 80% on the quiz that follows the instruction (multiple attempts allowed).

Can't Attend? Order the Webinar as a Self-Study Package!

Recordings of each webinar are available for purchase. See course listing online for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit. Self-study packages do not qualify for AIA credit.

AIA: 1.0 LU|HSW International Code Council: .1 CEU (Administration)

Agenda

- Promoting impartial, merit-based award of construction contracts
- Ensuring honesty, integrity, fair-dealing and quality assurance
- Creating a system of internal practices promoting contract compliance and ethical practices

Presented by Steven Nudelman

Partner, Greenbaum, Rowe, Smith & Davis, LLP

Mr. Nudelman concentrates his practice in construction law. For over two decades he has represented members of the construction industry across a broad spectrum of matters. He has defended and asserted claims on behalf of owners, developers, condominium associations, general contractors, design professionals, subcontractors, vendors and sureties involved in public and private construction projects throughout the New Jersey and New York metropolitan area. More specifically, he has extensive experience handling claims related to payment disputes, construction, design and performance defects, errors and omissions/professional malpractice, code violations, delay and disruption, liens, bonds, public contracting and violations under the New Jersey Consumer Fraud Act. Mr. Nudelman also maintains an active transactional practice, drafting, reviewing and negotiating construction contracts for his clients with an emphasis on efficiency and practical results.

Agenda

- Importance of ethics on the project
- Rules of professional conduct
- Behaviors that can be viewed as unethical
- Behaviors that can be viewed as ethical

Presented by Collins O.Y. Ofori-Amanfo, P.E.

Mr. Collins O.Y. Ofori-Amanfo, P.E., is the owner and principal engineer of Collins Forensics LLP. His broad-based experience includes investigation of construction defects and damage, investigation of condensation in building envelopes, evaluation of roof and wall leakage, field water spray testing of windows, and assessment of wind and hail damage to roofing materials. His work also involves giving expert testimony and assisting attorneys in resolving disputes over construction and materials-related problems. Prior to establishing Collins Forensics LLC, Mr. Ofori-Amanfo previously worked for many years at Wiss, Janney, Elstner Associates, Inc. (WJE), the Illinois Department of Transportation and Twin City Testing Corporation. He received his B.S. degree in Civil Engineering from the University of Science and Technology in Ghana and his M.S. degree in Structural Engineering from the University of Minnesota, Minneapolis. Mr. Ofori-Amanfo is a registered professional engineer in Minnesota, Wisconsin, Iowa and Illinois.
