Kristi Avalos *President and CEO of Accessology Too, LLC*
Kristi Avalos is a nationally renowned leader in providing accessibility-related services and is a sought-after speaker with a knack for using an upbeat approach to help others understand the complexities of compliance with the Americans with Disabilities Act (ADA). With over 40 years of experience, she provides expert witnessing on ADA, 504, Federal Housing Administration, and Air Carrier Access Act legal cases. In 1990 Kristi founded Accessology Too, LLC which is a national leader in providing accessibility consulting services and is one of the largest U.S. firms dedicated solely to accessibility and access issues. Since its founding, Accessology has worked closely with the Department of Justice and the U.S. Access Board to remain knowledgeable and adept with the constant changes that occur regarding ADA guidelines. Accessology has worked on numerous multi-million-dollar projects to impact accessibility compliance during all stages from schematics to construction and final inspections. Since 2005 Accessology has specialized in the development, execution, and monitoring of the required ADA Transition Plans for Title II entities to help them avoid access-related litigation since so much litigation is tied to not having a Transition Plan on file. Kristi Avalos and her team at Accessology are committed to removing structural and attitudinal barriers that adversely impact people with disabilities.
