Archaeological Sites Compliance

Protection of Archaeological Sites: Law and Principles

Laws and regulations protecting archaeological sites

- National Historic Preservation Act of 1966
- The Antiquities Act of 1906
- Archaeological Resources Protection Act of 1979
- Native American Graves Protection and Repatriation Act
- State and local laws

Identifying and Locating Archaeological Sites

Early in the Process

Sources of information

Investigation Costs and funding

Working on Archaeological Sites

Policies and procedures

Unanticipated archaeological sites

Case studies

Endangered Species Act Compliance

Ecological Rarity

Why are some species common and some are rare?

Population viability

Wildlife Regulation in the U.S. and the

Endangered Species Act

Brief history of wildlife conservation in the U.S.

Migratory Bird Treaty Act of 1918

Bald and Golden Eagle Protection Act of 1940

Endangered Species Act of 1973

The role of federal agencies (US Army Corps of Engineers, the US Fish and Wildlife Service) and state agencies

(Ohio Department of Natural Resources, Ohio Environmental Protection Agency)

What triggers agency involvement

Definitions

What is the difference between endangered and threatened species?

Federally endangered vs. state endangered?

What other classifications area there?

Global, federal, and state definitions

The concept of "take"

Federal actions

Case studies

Presented by

Ashley E. Jones, M.A., R.P.A. *Principal Investigator/Project Manager at Moore Archeological Consulting, Inc.*

Michael Liptak, Ph.D. *Senior Ecologist at EnviroScience, Inc.*

Tuition

\$319 for individual registration

\$289 for two or more registrants from the same company at the same time.

Included with your registration: PDF seminar manual.

Credit Information

This webinar is open to the public and is designed to offer 6.0 PDHs to professional engineers, 6.0 HSW continuing education hours to licensed architects, and 6.0 HSW continuing education hours to landscape architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 6.0 LU/HSWs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The Landscape Architecture Continuing Education System has approved this course for 6.0 HSW PDHs. Only full participation is reportable to the LA CES.

Completion certificates will be awarded to participants who complete this event, respond to prompts and earn a passing score (80%) on the quiz that follows the presentation (multiple attempts allowed).

Can't Attend? Order the Webinar as an On-Demand Package!

Recordings of this webinar are available for purchase. See registration panel for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.
