Presented by

William Hinson, C.B.O., P.E. in VA, MD, and MD

Mr. Hinson has 43 years of experience in engineering. He has provided a wide range of construction and facility-related services to clients including systems testing, design, failure analysis, code review and project management. Mr. Hinson has served as an engineer, plans examiner, building official and as a principal in an engineering firm. He is experienced in multi-disciplined engineering, power generation, construction, forensics and building code enforcement. Mr. Hinson's experience also includes building teams of professionals, performing cost and benefit evaluations, developing and streamlining policies and procedures to improve unit skills, and coordinating process across corporate structures. Additionally, he has provided code compliance plans review, construction administration, special inspection services, lectures, instruction, and management.

Credit Information

This webinar is open to the public and is designed to qualify for 7.5 PDHs for professional engineers and 7.5 HSW continuing education hours for licensed architects in Virginia.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 7.5 LU/HSW (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The International Code Council has approved this event for .75 CEUs in the specialty area of Building (Preferred Provider No. 1232).

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).
