Webinar Agenda

Agenda Day One: Tuesday, April 25, 2023

11:30 am - 2:45 pm CDT (including a 15-min. break)

Development and Impact of

International Green Construction Code

History of the Code

Relation of the Code to conventional building codes and energy codes

Relation of the Code to LEED and other green building certifications

Code adoption and enforcement

Chapters 1-3: Code Administration

Administration

Definitions

Jurisdictional requirements and project electives

Chapters 4-5: Site Development and Material Use

Site development and land use

Material resource conservation and efficiency

Presented by

Heather Holdridge, EIT, Associate AIA, LEED Fellow

Associate Partner, Sustainability Director

Ms. Holdridge, LEED Fellow, EIT, Associate AIA, is the Sustainability Director at LakelFlato Architects. Leveraging her background in mechanical engineering, Ms. Holdridge directs all LakelFlato teams in establishing sustainability goals. She devises strategies and systems to realize those goals under programs such as LEED, the 2030 Challenge, and the Living Building Challenge. Ms. Holdridge works closely with teams to evaluate passive systems and performs energy modeling throughout the design process. She received a Bachelor of Science degree in Mechanical Engineering from The University of Texas at Austin and a Master of Business Administration degree from The University of Texas at San Antonio.

Agenda Day Two: Wednesday, April 26, 2023

11:30 am - 3:15 pm CDT (including a 15-min. break)

Chapters 6-9:

Energy, Water, Environmental Quality and

Building Commissioning

Energy conservation, efficiency and atmospheric quality

Water resource conservation and efficiency

Indoor environmental quality and comfort

Building commissioning

Operation and maintenance

Chapters 10-11: Existing Buildings

Green improvements and retrofits to existing buildings

Greening sites of existing buildings

Tuition

\$319 for individual registration

\$289 for two or more registrants from the same company at the same time.

Included with your registration: PDF seminar manual.

Credit Information

This webinar is open to the public and offers 6.5 PDHs for professional engineers and 6.5 HSW continuing education hours for licensed architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 6.5 LU/HSW (Sponsor No. J885). Only full participation is reportable to the AIA CES.

The International Code Council has approved HalfMoon Education as a Preferred Provider of continuing education (No. 1232). Course approval is pending in the specialty area of Building.

Visit this course listing at www.halfmoonseminars.org for updates on pending credits.

Completion certificates will be awarded to participants who complete this event and earn a passing score (80%) on the quiz that follows the presentation (multiple attempts allowed).

On-Demand Credits

The preceding credit information only applies to the live presentation. This course in an on-demand format may not be eligible for the same credits as the live presentation; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request:

6.5 HSW LUs (AIA)
