

Agenda

Presented by Dr. John V. Dawson, AIA, AICP, LEED AP

Evolution of Design-Build as a Project Delivery System

Traditional design-bid-build and its drawbacks
Design-build process overview
Growth of number and dollar value of design-build projects In US

Project Selection, Feasibility and Team Selection

Overview of Design-Build Contracting

Basic contract principles
Contract formation
Bid document review
Key contract provisions
Dispute resolution

Design Phase

Construction Phase

Managing equipment and materials
Managing labor and safety
Change orders and constructive changes
Handling delays and disputes
Schedule of values, pay applications

Project Closeout and Turnover

System testing and commissioning
Final inspection
Guarantees and warranties
Turnover of drawings, technical information and user manuals

Can't Attend? Order the Webinar as an On-Demand Package!

Recordings of this webinar are available for purchase. See course listing online for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Design-Build Project Delivery

Live, Interactive Webinar - Wednesday, July 31, 2024

NON-PROFIT
U.S. POSTAGE PAID
EAU CLAIRE, WI
PERMIT NO. 2016

HalfMoon Education Inc.
PO Box 278
Altoona, WI 54720-0278

Learning Objectives

You'll be able to:

Explore the benefits and drawbacks of design-build as a project delivery system.

Identify appropriate projects for design-build.

Discuss contract documents and the bidding process.

Talk about project administration during the project design and construction phases.

Get tips on making constructed and ordered changes during projects, and learn about handling delays and disputes.

Go through the process for efficient project closeout and turnover.

HalfMoon Education Inc.,
Your LIVE Education Leader Presents

Design-Build Project Delivery

Live, Interactive Webinar - Wednesday, July 31, 2024

Explore the evolution of design-build as a project delivery system

Study project selection, feasibility and team selection

Get an overview of design-build contracting

Learn about the design and construction phase

Examine project closeout and turnover

Continuing Education Credits

Professional Engineers
6.0 PDHs

Architects
6.0 Non-HSW CE Hours*
6.0 AIA LU | Elective

Landscape Architects
6.0 HSW CE Hours
6.0 LA CES HSW PDHs

International Code Council
.6 CEUs (Administration)

*This course may not qualify in states that require HSW coursework such as New York.

Webinar Information

Wednesday, July 31, 2024 | 9:00 am - 4:00 pm CDT

Log into Webinar: 8:30 - 9:00 am CDT

First Session: 9:00 - 11:00 am CDT

Break: 11:00 - 11:30 am CDT

Second Session: 11:30 am - 1:30 pm CDT

Break: 1:30 - 2:00 pm CDT

Third Session: 2:00 - 4:00 pm CDT

Tuition

\$339 for individual registration.

\$309 for two or more registrants from the same company at the same time.

Included with your registration: PDF seminar manual.

How to Register

- Visit us online at www.halfmoonseminars.org
- Call customer service at 715-835-5900

Webinars are presented via GoToWebinar. Instructions and login information will be provided in an email sent close to the date of the webinar. For more information, please visit our FAQ section of our website, or visit www.gotowebinar.com.

Cancellations: Cancel at least 48 hours before the start of the webinar, and receive a full tuition refund, minus a \$39 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another webinar or the on-demand package. You may also authorize another person to take your place.

Faculty

Dr. John V. Dawson, AIA, AICP, LEED AP

Dr. Dawson is a subject matter expert on planning, programming, design, construction and contract management related to large public and private organizations and institutions nationwide. He recently retired as the associate vice president for administrative operations at Texas A&M University-Corpus Christi where he oversaw facility, maintenance, grounds, custodial, and planning and construction operations as well as Environmental Health and Safety (EHS) for the "Island" campus. His experience spans federal, state, county and local municipality projects including the Federal Aviation Administration (FAA), General Services Administration (GSA); Department of Justice (DOJ); Immigration and Customs Enforcement (ICE) and Department of Defense (DoD) including the Naval Construction Battalion's at Gulfport and Port Hueneme; Seabees; Navy Civil Engineer Corp; Army Corps of Engineers; Air Force Civil Engineers and RED HORSE units; in addition to higher education with the Texas A&M University System (TAMUS) University of North Texas System (UNTS) and of Tarrant County College District (TCCD). Dr. Dawson has more than 38 years' of experience in urban planning, developmental programming, building and infrastructure design, construction and program management for a wide variety of capital investment programs and unique environments. He is a retired Air Force civil engineering officer with experience in the design and construction of numerous facilities supporting major weapon systems and the U.S. electronic security and space programs worldwide. Dr. Dawson is a registered architect in the State of Texas and a certified city planner. He is also a U. S. Green Building Institute Leadership in Energy and Environmental Design (LEED) Accredited Professional (AP) with experience in numerous sustainable projects. He has specialized mediation and dispute resolution training and experience directly related to the design and construction industry, successfully resolving construction claims based on errors and omissions, defective products or workmanships, scheduling deviations or acts of God. Additional skills include the preparation of specifications, bidding and construction plans, cost estimates, and bidding services related to federal and state contract requirements and processes.

Additional Learning

Managing Construction Projects

- Tuesday, July 2, 2024 | 9:00 am - 5:00 pm CDT

Pond Design and Construction

- Tuesday, July 2, 2024 | 9:00 am - 4:00 pm CDT

Current Issues in Landscape Architecture for the Southeastern US

- Tuesday, July 9, 2024 | 8:00 am - 3:00 pm CDT

National Electrical Code 2023: Grounding and Bonding

- Thursday, July 11, 2024 | 9:00 am - 5:00 pm CDT

Asphalt Pavement: Production, Placement and Preservation

- Friday, July 12, 2024 | 1:00 - 5:15 pm CDT

Restoring Natural Spaces

- Friday, July 12, 2024 | 8:30 am - 4:30 pm CDT

Credit Information

This webinar is open to the public and is designed to qualify for 6.0 PDHs for professional engineers, 6.0 continuing education hours for licensed architects, and 6.0 HSW continuing education hours for landscape architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider License No: CEA362), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00049300) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and landscape architects via its registration with the Landscape Architecture Continuing Education System. Most other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 6.0 Elective LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES. *This course may not qualify in states that require HSW coursework such as New York.

The Landscape Architecture Continuing Education System has approved this course for 6.0 HSW PDHs. Only full participation is reportable to the LA CES.

The International Code Council has approved this event for .6 CEUs in the specialty area of Administration (Preferred Provider No. 1232).

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

On-Demand Credits

The preceding credit information only applies to the live presentation. This course in an on-demand format is not pre-approved by any licensing boards and may not qualify for the same credits; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request:
6.0 Elective LUs (AIA) 6.0 HSW PDHs (LA CES)

Roadmap to Ethical Issues in Construction: A Primer for Design Professionals

- Tuesday, July 16, 2024 | 11:00 am - 1:00 pm CDT

Shallow Foundation Design, Construction and Repair

- Tuesday, July 16, 2024 | 8:30 am - 4:30 pm CDT

Brownfield Planning and Redevelopment

- Wednesday, July 17, 2024 | 10:00 am - 12:00 pm CDT

Threats to Trees and How to Increase Their Survival

- Wednesday, July 17, 2024 | 11:00 am - 3:00 pm CDT
- Thursday, July 18, 2024 | 11:00 am - 2:30 pm CDT

Applying the Building Code to Cannabis Facilities

- Friday, July 26, 2024 | 8:30 am - 3:30 pm CDT
